## PROGRAM FOR FRIDAY 15 March 2019

Bronwyn MacLeod, has a Certificate of Gifted Education and a Masters of Education, specialising in Gifted Education, from the University of New South Wales, and has undertaken doctoral studies focusing in Gifted Education and Technology also at the University of New South Wales.

She is the author and co-author of five educational texts on curriculum differentiation and gifted education, the author of Module 5 of the Australian Government's Gifted and Talented Teaching Package, and has planned, implemented and published school action research projects for Independent Schools of Queensland, Sydney Diocesan Catholic Education, and the

Independent Schools of Western Australia. Bronwyn also works with schools and educational authorities in New Zealand, South-East Asia and Africa.

She has taught mixed ability and self-contained gifted classes from K - 12 in government and independent schools, as well as gifted courses with UNSW.

She has been a keynote presenter at many State and National Conferences in Australia, and has presented papers at international conferences. Bronwyn is one of the coordinators of the JASON Project for Australia and New Zealand.

### ***Workshop with Bronwyn MacLeod***

**Original  
choice  
in 1972.**

**First  
choice  
today.**

**Ranked number 1 for satisfaction.**

Since 1972, we've helped Queensland teachers enjoy first-rate health cover. Today, we return more profits to our members than the industry average and we cover cardiac treatment on all hospital products. So why go anywhere else?

**Join the original health fund  
for Queensland teachers or  
recommend us to a friend and  
get a \$100 gift card if they join.\***
