

INVITATION TO PARTICIPATE IN RESEARCH STUDY EXPLORING MENTORING PROGRAMS FOR GIFTED STUDENTS

Curtin University

We are seeking participants to complete a questionnaire regarding mentoring programs for gifted students. Your insights will help us understand the effectiveness and perceptions of these programs.

Who Can Participate?

- Gifted students aged 15-17 who have participated in enrichment programs for at least three years.
- Parents of gifted students aged 15-17.
- Educators who have experience with gifted education

Why Should You Participate?

By participating, you will:

- Contribute valuable information that may improve mentoring practices for gifted students.
- Help shape the future of educational programs designed for gifted individuals.

What is Involved?

Participants will complete a questionnaire that will take approximately 20 minutes and cover:

- Experiences and perceptions of mentoring programs.
- Suggestions for improvement based on personal experiences.

How to Participate

You can participate by clicking the link below:
