8:45 – 9:25		<p><b>Li Cunxin - <i>What about Mao's Last Dancer?</i></b></p> <p><i>Li Cunxin AO's journey is simply remarkable. He was born into utter poverty in Mao's Communist China, at a very young age he was selected to train at Madame Mao's Beijing Dance Academy. So began Li's journey. The 7 years of harsh training regime at the Beijing Dance Academy taught him discipline, resilience, determination and perseverance. Li's astounding drive and relentless work made him one of the best dancers in the world.</i></p> <p><i>Li's story is a living example of overcoming adversity and achieving excellence in life.</i></p>		
9:35 – 10:15		<p><b>Tony Ryan - <i>Aussie Excellence</i></b></p> <p>It's all very well to exhort exceptional children (and adults) to achieve their personal 'best'. Yet what does that really mean in everyday life? This keynote will explore future-oriented capabilities that may be required by Aussie children in the 2020s and 2030s. These capabilities will include: initiative; adaptive agility; and especially, compassion.</p>
